LAFAYETTE SAILING CLUB www.lafayettesailingclub.net VOLUME 4 2009

As a Reminder, LSC Board of Governor's Picnic: Sunday, August 23rd

Mark your calendar now for the LSC's 2nd BIG weekend. There will be a Raft-up, Saturday Series Racing, Racing for Dummies, and The Board of Governor's Picnic.

Friday and Saturday August 21st and 22nd, LSC members have the opportunity to Raft-up as a group with other LSC members on Lake Freeman. Members may pick and choose which day or days are best for them. About the only thing that is needed is a boat with suitable facilities for spending a night, food, and drinks. We'll be using Bill Muir's dock again or the secret cove.

Saturday August 22nd, 11:30am, Saturday Series Racing 3 (3). LSC Captains should have their boats ready and meet at the picnic tables for the traditional Captains meeting prior to the race. The race committee will present the course at that time. Bring your lunch and have fun.

Sunday August 23rd, 12:30pm, Racing for Dummies. The LSC Race Committee is again offering a very informal, but informative session on sailboat racing. Emphasis will be on educating non-LSC racers about "Racing". Lecture information will include: starting flags, rounding the marks, right of way, and crossing the finishing line. All LSC members are welcome.

And remember: "When two sailboats are on the water together, they are racing."-- Larry Dill

Sunday August 23rd, 5:45pm, Board of Governor's Picnic. This traditional LSC event is open to all LSC members. The BOG will prepare steaks, at the Harbor, starting at 5:45pm. Expect a choice cut Ribeye or a New York Strip. Club members are asked to bring a covered dish to share, tableware, and a lawn chair. The Club will provide hard and soft drinks, steaks, and baked potatoes. RSVP's will be collected to ensure that the correct number of steaks will be purchased. **Please RSVP to Kirk Gilbert at kirkgilbert@verizon.net.**

Photo opportunity, Saturday August 22nd and possibly August 23rd. Looking for "One Class Design" sailing craft within the Club that will be able to participate in racing or casual sailing activities around a mark. The goal is to have the LSC's members racing or sailing their "One Class Design" boats for a photo-op and bragging rights for a year. No special boat preparation will be needed, just be on the water and in camera range. So, Lets see those Lasers, Catalinas, Catamarans, Hunters, MacGregors, Scows, Rhodes, Sunfish, Flying Scott, and Lugars on the water.
